2. BOTSWANA

Trade with the Rest of the World (ROW)

- 2.1. Total export to the rest of the world declined from R38.9 billion in 2008 to R27.8 billion in 2009. Similarly, imports declined from R42.3 billion in 2008 to R37.3 billion in 2009, thus resulting in a trade deficit of R9.5 billion in 2009. Between 2004 and 2009, there was a significant increase in trade with the rest of the world. In 2004, Botswana's import from the rest of the world stood at R20.9 billion, while total export to the rest of the world stood at R22.6 billion. By the year, 2009 both imports and exports had increased by more than 100.0 percent. During the period under review, Botswana recorded trade surpluses for the years 2004 to 2007 and recorded a trade deficit in the years 2008 and 2009.

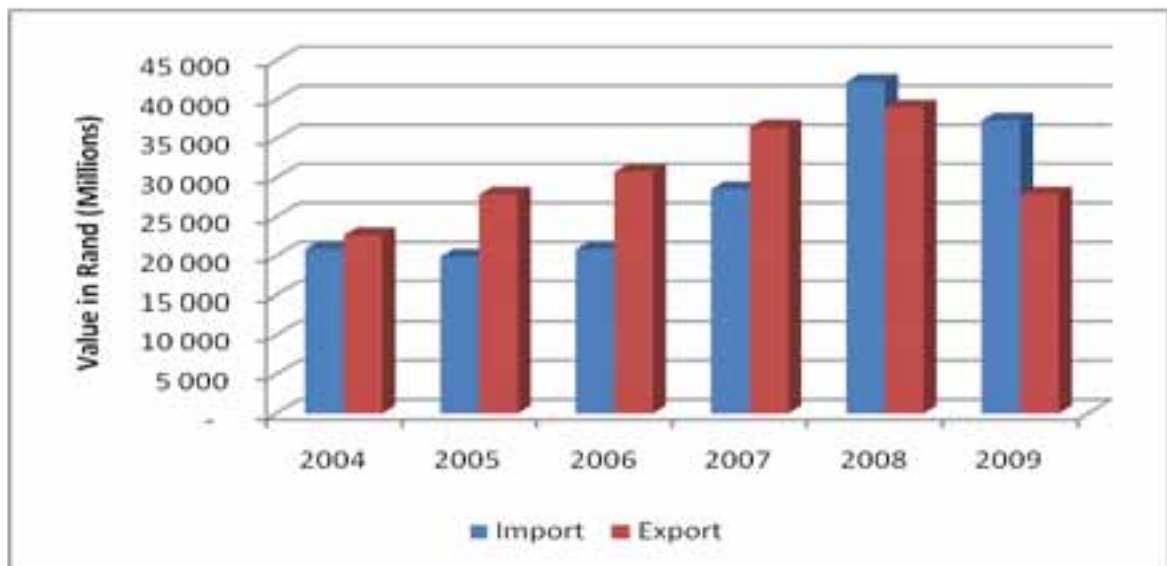

Figure 4: Botswana's Trade with ROW

Intra-SACU Trade

- 2.2. In 2009, Botswana's exports to other SACU Member States declined by 43.1 percent. This was mainly due to the reduced supply of hides, skins and leathers; inorganic chemicals; and electrical machinery and equipments exported to the SACU region. The main destination for Botswana's intra-SACU exports is South Africa followed by Namibia. Intra-SACU exports accounted for about 15.3 percent of the total export of Botswana in 2009.
- 2.3. Botswana's intra-SACU imports contracted by 8.9 percent in 2009 compared to the previous year. This can be attributed mainly to the reduced demand for mineral fuels; vehicles; machinery and mechanical appliances; and electrical machinery and equipment imported from the SACU region. A large share of Botswana's intra-SACU imports originate from South Africa (99.1 percent in 2009). Intra-SACU imports accounted for about 81.1 percent of the total imports of Botswana in 2009.

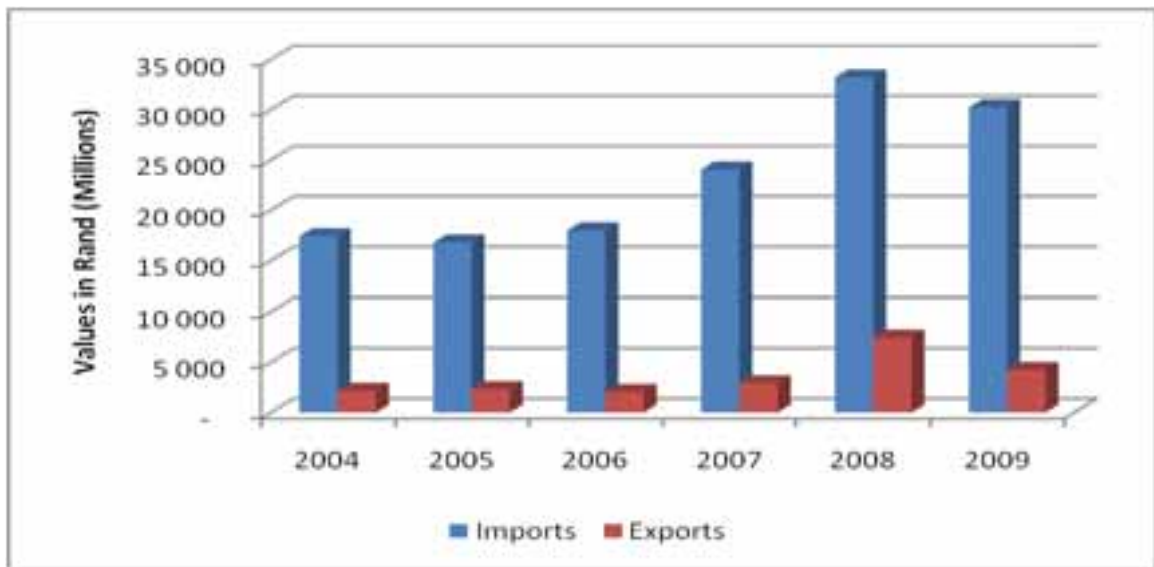

Figure 5: Botswana's Intra-SACU Trade

Trade with Key Markets

- 2.4. The main export destination for Botswana in 2009 was the United Kingdom, with a share of 52.8 percent of total exports, followed by South Africa (14.7 percent) and Norway (9.9 percent).

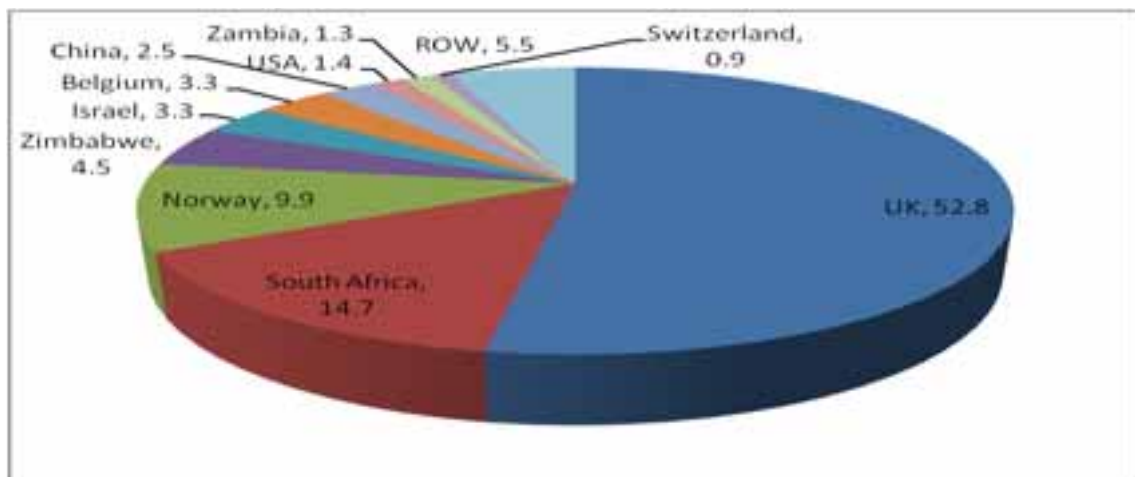

Figure 6: Key Export Destination, 2009

- 2.5. South Africa has traditionally been the main supplier of goods to Botswana. Imports from South Africa accounted for 80.0 percent of total imports to Botswana in 2009, followed by China (3.4 percent) and the USA (2.1 percent).
